

Turnout Policy

1. Please keep in mind that there may be others waiting to use the turnouts. If there are, please do not leave your horse out for more than 1 hour.
2. Turnouts are allowed in the front arena when no riders or jumps are present. Riders and exercising horses always take precedence over turnouts.
3. Horses that haven't been exercised take precedence over horses that have.
4. Turnouts are not allowed in the covered arena. No exceptions.
5. Please do not leave the property with your horse in turnout unless you've made arrangements to have your horse returned to its stall or another turnout pen. If Stable Management moves your horse, you will be billed for the turnout.
6. Please ask the owner of the horse or Stable Management before moving an unattended horse. If the owner or Stable Management are not available, you may return the horse to its stall.
7. Hay, feed, or water are not allowed in the turnout areas.

Thank you for your adherence to our policies.
